

Happy Thanksgiving

Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend.

October Update

FOREST FRIENDS plan on October being a busy month. The first week will be celebrating Thanksgiving and the next two weeks will be lots of activities with leaves. The leaf activities will include a leaf hunt, collecting & jumping in leaves and puzzle piece fall tree. There are two field trips planned for this month. One is to the Market Center to buy pumpkins and Police Point for a Nature Walk. Permission forms will be out soon and if you are able to join us on a field trip please sign up.

The last week is all about Halloween! Some activities will be making candy apples, pumpkin carving and erupting pumpkins...

We are super excited about our Halloween party. Please dress your children in pajamas instead of their costumes as this way there will not be any lost pieces or torn costumes. There will be lots of fun games and activities. There will be a snack sign-up sheet.

THE JUNGLE ROOM

Happy October everyone! We are already into our second month of our new school year...time seems to be going very fast.

The Jungle Room has a variety of interests this month from fall leaves changing, sunflowers, pumpkins, Halloween as well as pets and tools. We will be doing many fun activities that relate to these topics and interests such as a fall walk, leaf collage, Police Point field trip and our usual monthly library story time visit.

We will also be having a Halloween party on Monday October 31. There will be many fun games and activities for the children. We have decided to have a pajama party for the children instead of the children wearing their costumes. This way there will be no lost pieces or torn costumes.
