

Mother Nature's Preschool December 2017 Newsletter

Dear Parents,

As the year winds down, we would like to take the time to thank our families for choosing our centre. Your support over the year has been appreciated. Donations of clothes, baking, dry goods and craft supplies. Most recently, your flexibility in our closure to attend the National Child Day Conference in Edmonton. We were inspired to continue our work in building connection and resiliency with the children and families in our program.

Highlights from November

Operation Christmas Child, Visit from Officer Josh, and learning about Hibernation.

This month will be spent baking, reading books, painting, making Christmas surprises for our parents and caroling.
