
Mother Nature's Preschool Elm Street

March 2018

Dear Parents,

February was a busy month for the children. The children loved learning about Groundhog Day and were super excited to see that Spring will be coming sometime soon. The children also had a great time making their Valentine's Day holders and exchanging cards with all their friends. We had an animal show and share the children brought stuffed or pictures of their pets and they were very happy to have a real dog come to school. Unfortunately, all the field trips planned in February were cancelled due to the cold weather and we hope to rebook for March.

The month of March promises to be an eventful month for the classroom. The children have been talking a lot about pets and firefighters. We have set up a pet store and a firefighter's center for the children to enjoy. We will also be celebrating Easter and St Patrick's Day! We will be having a green day on Friday, March 16, to celebrate St Patrick's Day. We are looking forward to Spring arriving and spending more time outdoors.

Arrivals and Departures

Parents/guardians are encouraged to be on time for scheduled arrival and departures, so that we can ensure adequate staff is in place.

Parents/guardians must sign their child in and out of the program in the Sign In/Sign Out book at the entrance. You must sign in as soon as you arrive on the premises and out when you leave the building. This is for insurance purposes. If your child is not signed in/out in this manner, legally, insurance will not cover your child in case of an accident.

Until next month,

The Staff of Mother Nature's Preschool
