

# Summer Activity

## Make Your Own Bubbles

Fill a large 2 litre bottle with warm water, leave some room! Fill your bottle with water first, then add 1 cup of dish soap, and 2 tablespoons of corn syrup. Stir it up a bit, and then put the lid on.

Gently shake the bottle to mix it up. Let the bottle settle, then open and use with your favourite bubble wand!

# Summers here!

**School is officially out for the summer and we want to thank our wonderful staff and families again for a great year.**

**During these summer months, we plan on creating the same memories we had as children. Walks to the park, running under the sprinklers, gym activities in the afternoons, and spending time with friends.**

**Kids love playing outside on the parks, playing ball, running and playing in the wading pool. This summer please remember to bring your children with a bathing suit, a hat, a towel, good walking shoes, and a healthy bag lunch, every day.**

**We will be closed July 27, 28, 29. As well as August 1, 2, 3, 25, 26, 27, 29, 30.**

*IT IS NOT THE LANGUAGE OF PAINTERS BUT THE LANGUAGE OF NATURE WHICH ONE SHOULD LISTEN TO . . . THE FEELING FOR THE THINGS THEMSELVES, FOR REALITY, IS MORE IMPORTANT THAN THE FEELING OF PICTURES. -VINCENT VAN GOGH*
