

JUNGLE ROOM

Forest Friends Welcome to cooler weather, rosy cheeks and excitement over the changing seasons. Our class was kept busy in October with many activities. We enjoyed many fall art activities, fun science experiments, a visit to the market center and of course our Halloween party which was a huge hit. In November we will be having an animal day, create a new winterarium, and enjoy a field trip to the Library.

Directors Notes

Our program utilizes the wonderful opportunities of nature to create a natural learning environment. Please bring your child's winter outdoor clothing to keep them cozy and warm as we explore the neighborhood on our daily walks.

In the month of November we will be celebrating National Child Day which is November 20th. This is a day set aside by the United Nations to recognize that all children have the right to education, health care, food, clothing and shelter. Our centers staff will be celebrating our own heritage that day by dressing up like our ancestors and we encourage the children to do the same. This could be with a hat, shirt or full outfit! If you need any ideas please see Melanie in the Forest Friends room, she had done a little research on the topic.

REMINDERS

- November 5th scholastic orders are due
- Please update personal info at the office if it changes, ie. Authorized release, address etc
- Reminder all monthly bills are **DUE** by the 10th of each month.
- **Closed Tues. Nov.11th for Remembrance Day**

Another month has come and gone and we find ourselves in November! We had a lot of fun in the Jungle Room in October. We went for many walks in the fall leaves and enjoyed watching them change colors. We also went on a couple field trips to the market center for pumpkins and the library for story time. The children enjoyed turning our pumpkins into jack-O-lanterns and giving them names. Our PJ Halloween party was a great success with the snacks and games and of course the breaking of the piñata. Lots of fun was had by all!

In November we plan to be very busy with lots of new and exciting centers, activities, and of course field trips! Have a fantastic month and remember if you have any questions or concerns please ask any one of our Jungle Room staff.

Parents, please review the following policy and let us know if any changes need to be made. Thank-You

Communicable Disease Policy

Mother Nature's Preschools policy is to post any communicable disease that children have been exposed to. The notice must be posted by the parent sign in/out area. Mother Nature's Preschool will provide additional information on request for parent.

- Children that have a communicable disease (Communicable Disease Regulation AR238/85) must be removed from the school and remain off the premises until free of symptoms.
