Private SPEECH AND LANGUAGE SERVICES

We deliver timely, professional care that includes expert consultation, advice, intervention and treatment.

We provide support in:

- Language development
- Speech sound development
- Reading
- Stuttering
- Voice disorders
- Social skills
- Delays and disorders as a result of Fragile X, autism, Down syndrome, etc.

Speech & Language Works provides workshops for early childhood educators and parents.

Best of all, there are no waiting lists and our services are covered by most private insurance providers.

Services can be provided at preschool, daycare, home, or in our clinic.
